

Conquest Security Services

In addition to our \$18.00 per month monthly alarm monitoring services, we also offer a full array of security services. Here are some examples of how we can help provide a solution for you.

Security Services:

- Security Cameras and DVR (digital video recorder) Solutions - High Quality Cameras and DVRs with remote monitoring capabilities and an endless number of configuration options
- Access Control Systems - Secure your office, home, community pool house/tennis courts, or anything else with a door
- LPR Systems - We can install a license plate reader system to control access to your facility, neighborhood, or parking lot.
